## 2024 RAISE THE ROOF GIVEAWAY PROGRAM APPLICATION

### Armored Exteriors

APPLICATION DATES: JUNE 1, 2024 - AUGUST 21, 2024

We are excited to receive and review your application for our 2024 Raise the Roof giveaway program for first responders and outstanding volunteers in our community. We thoroughly enjoyed giving away a roof to a deserving family in 2022 and are excited to officially launch this annual giveaway program and we plan to continue this program far into the future.

This year, we ask that you provide some additional information about yourself that will better enable us to evaluate our candidates and select the recipient based on more measurable criteria. For more information on this program please visit the Raise the Roof page on our website ([www.montanarooftingexperts.com](http://www.montanarooftingexperts.com)). If you are curious or interested in hearing more about our annual roof giveaway program, please contact us. We would love to tell you more and encourage you to apply or provide us with names of families you know who might qualify as a result of their tireless efforts as outstanding volunteers or first responders.

#### Please note:

- We accept applications for families who qualify through outstanding volunteer service, through their occupations as first responders, through their overall financial need in the greater Flathead Valley, or due to any other factors our selection committee may deem appropriate or relevant. (please contact Lissa at Armored Exteriors at [lissa@armoredexteriors.com](mailto:lissa@armoredexteriors.com) with questions).
- Applicants are required to provide some basic information about themselves, the service or services they provide to the community, the person or person who have nominated them and a little background about their story and how they are committed to serving the community.
- Applicants/nominee must be the owner of the property listed in the application in order to be an eligible candidate for this giveaway.
- Please fill out an application for each applicant / nominee.
- You may fill out this form for yourself as the nominee or for someone else you are nominating.
- **Applications are due by August 21, 2024 at 5 PM MST**
- The application is designed to help us get to know the applicant. We ask that the applicant fill out as much of the application as possible. Please be as detailed as possible. We will contact references that are listed on the application.

- Once the application period ends, the selection committee will review all submissions and notify accepted applicants by September 15, 2024.
- We reserve the right to meet with nominees during the selection process period.
- We will select 3 – 4 finalists, who we will interview by phone or in person.

While we would love to be able to help everyone who applies, we can only pick one person/family. Please provide the details of your situation and how a free, new roof crafted by the experts at Armored Exteriors will help your home! Our team will carefully read and consider every story submitted to us and select the family that we will Raise the Roof for in 2024 (a new roof free of charge).

Even if you don't personally need a new roof, that doesn't mean you can't be part of the giveaway. We're relying on our community to get the word out to as many people as possible. You can always share this opportunity with a family you know is in need – or just share it with your friends in the hopes that they can find the perfect family.

*Completed applications may be sent to [lissa@armoredexteriors.com](mailto:lissa@armoredexteriors.com) or mailed to 2315 9<sup>th</sup> St. W,
